Counsel,

As explained in the conference call with the panel on December 5, 2024, Patent Owner in IPR2024-00539 is authorized to file a motion for additional discovery, limited to 8 pages, no later than December 9, 2024. Petitioner is authorized to file an opposition to Patent Owner's motion, also limited to 8 pages, no later than December 18, 2024. The Board understands that the parties will agree to a stipulation to extend the due dates for Patent Owner's Response to the Petition and Petitioner's Reply to the Response to accommodate the briefing of and decision on Patent Owner's motion for additional discovery.
