IPR2024-00468, -00469, -00470, -00550, -00551, -00552, -00553

Your Honors,

The parties write to jointly request that the consolidated hearing (previously scheduled for July 9, 2025) for the above-captioned proceedings be rescheduled to a later date. The Board's Order Cancelling Oral Argument / Changing Due Date 8 (Paper 64) in IPR2024-00468) stated at page 2 that "[a]n order setting oral argument for the consolidated hearing on July 9, 2025 will be issued in due course" and similar Orders were issued as Paper 64 in -00469 and -00470, and as Paper 47 in -00550. Given the Board has not issued an Order Setting Oral Argument in any of these proceedings, and given that the Board today issued an Order ordering supplemental discovery and briefing in each of these proceedings (e.g., Paper 69 in -00468), the parties respectfully request that the oral hearing be rescheduled to a date no earlier than

September 8, 2025 (the date mentioned in -00468 Paper 69 at 9).

The parties respectfully believe that rescheduling the hearing in this manner would promote efficiency for the parties and the Board by enabling all the issues to be discussed in a single consolidated hearing after completion of the ordered supplemental discovery and briefing; would enable the parties to focus on the supplemental discovery issues in the coming weeks (particularly as certain discovery-related deadlines identified in -00468 Paper 69 at 6-7 fall close to the July 9 date and may therefore impede the parties' ability to fully prepare for a hearing on July 9); and would be practicable given that the final written decision deadline was extended in each of these proceedings.

Patent Owner conferred with Petitioner prior to sending this email, and this email is being sent as a joint email on behalf of both parties. The parties can make themselves available for a call with the Board June 30, July 1, or July 2 to discuss the present request, should the Board so desire.

Respectfully,
Arvind Jairam
