MONOLITHIC POWER SYSTEMS, INC.  
Petitioner

v.

GREENTHREAD, LLC,  
Patent Owner

---

IPR2024-00553  
U.S. Patent No. 11,316,014

---

**PARTIES' STIPULATION TO MODIFY TRIAL DUE DATES 1, 2 AND 3**

Pursuant to the Scheduling Order (Paper No. 26), Patent Owner Greenthread, LLC and Petitioner Monolithic Power Systems, Inc. (collectively, “the Parties”) hereby modify DUE DATE 1, the portion of DUE DATE 2 related to the Petitioner’s reply, and the portion of DUE DATE 3 related to Patent Owner’s sur-reply, as set forth below. The remaining DUE DATES as originally set forth in the Scheduling Order remain unchanged.

| <b>DUE DATE</b>                                     | <b>Original Date</b> | <b>Modified Date</b> |
|-----------------------------------------------------|----------------------|----------------------|
| DUE DATE 1                                          | January 2, 2025      | January 9, 2025      |
| DUE DATE 2 (as related to Petitioner’s reply)       | March 26, 2025       | April 3, 2025        |
| DUE DATE 3 (as related to Patent Owner’s sur-reply) | May 7, 2025          | May 9, 2025          |

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
