"The enthusiasm for LUMIFY is evident on TikTok, where the LUMIFY® hashtag has organically amassed nearly 14 million views to date. We believe the LUMIFY® Eye Dance Challenge will help build upon the existing excitement on TikTok and inspire consumers to celebrate what makes them and their eyes unique," said Joe Gordon, president, Global Consumer, Surgical and Vision Care, Bausch + Lomb. "Since we first launched LUMIFY® in May 2018, the product has cultivated a loyal fanbase who praise these eye drops for their ability to significantly reduce redness to help eyes look whiter and brighter in just one minute and last up to eight hours. We look forward to extending this fanbase even further through this exciting new TikTok challenge."

To enter the challenge sweepstakes, which begins on July 25, 2022 and ends on August 31, 2022, consumers must post a video of their eye dance on TikTok set to the LUMIFY® song (found in the TikTok audio library) using the two official hashtags, #LUMIFYEyeDance and #WinIt.<sup>1</sup> Prominent TikTok creators will help kick off the challenge by posting their own eye dance and encouraging others to participate.

In addition to the #LUMIFYEyeDance challenge, Bausch + Lomb is also launching a national product sampling tour that will run through four major U.S. metropolitan cities during the month of August. Two day-long pop-up events will occur at each tour location and feature a LUMIFY® branded tiny home. The tiny home will offer visitors a refreshment bar with beverages and treats supplied by popular local chains and interactive experiences, such as mini masterclass sessions taught by prominent local makeup artists. Visitors will also have the opportunity to meet local social media influencers and record their TikTok eye dance videos at a selfie station.

The LUMIFY® sampling tour schedule is as follows:

- Aug. 13-14, 2022: Dallas, TX
