V. S. [Signature]

No. 459 of the roll of certificates of the year 2021
of the notary Jens Michaelis
Mehringdamm 50, 10961 Berlin, Germany

I hereby certify, that the overleaf is the true signature signed in my presence of

Mr. Karsten Jörg **Sühring**, born on 27th april 1977 in Henningsdorf
residing at Schreinerstr. 64 A, 10247 Berlin,

Identified by valid passport of German Identity card.

The declaration preceding the signature has not been drafted by the notary. It is therefore exclusively a question of certifying the signature. In accordance with § 40 Paragraph 2 BeurkG, it was only examined whether there were grounds for refusing the notarial official activity. The content of the declaration preceding the signature was not checked and no instruction was given on this and its legal effect.

When questioned, it was declared that the officiating notary and the persons associated with him for the common exercise of his profession or persons who share his business premises with him were not yet involved in this matter outside the notarial office.

Berlin, 15th of april 2021

Michaelis
