Subject: RE: IPR2024-00604 and IPR2024-00605: Request for Authorization
Date: Monday, March 31, 2025 2:33:20 PM

Counsel,

The parties are authorized to file a joint motion in each of these proceedings to terminate the proceeding. The parties are also authorized to file a joint request in each proceeding to file agreements as business confidential information pursuant to 37 C.F.R. § 42.74(c) (separate from the joint motion to terminate). The joint motion to terminate must include a true copy of all agreements and understandings (as exhibits) the parties have made in connection with, or in contemplation of, the termination, and should include a statement certifying that that has been done. See 37 C.F.R. § 42.74(b).” The request to file agreements should not make requests beyond that expressly provided by 37 C.F.R. §42.74(c).

Dear Honorable Board,

Petitioners Amazon.com, Inc. and Amazon.com Services LLC and Patent Owner Nokia Technologies OY have settled their dispute relating to the '714 patent challenged in IPR2024-00604 and IPR2024-00605.

The parties request authorization to file a joint motion to terminate the proceedings and a request

Ex. 3001
IPR2024-00604
IPR2024-00605

to keep the written settlement agreement confidential and separate from the files of the challenged patent.

Regards,

Chris Ponder
