Subject: RE: IPR2024-00611 - Unopposed Patent Owner Request to Withdraw Pre-Institution Declaration

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Dear Honorable Board,

In the above-identified IPR proceeding, Patent Owner filed a declaration of Dr. Ungerank with the Patent Owner Preliminary Response. Patent Owner has filed the Patent Owner Response and has not relied upon Dr. Ungerank's declaration and wishes to withdraw Dr. Ungerank's declaration and Dr. Ungerank's CV (Ex. 2001 and Ex. 2002, respectively) from the proceeding.

Patent Owner has conferred with Petitioner's counsel and Petitioner does not oppose the withdrawal of Dr. Ungerank's declaration and CV from this proceeding.

Accordingly, Patent Owner requests to withdraw Ex. 2001 and Ex. 2002 from the above-referenced proceeding by this email correspondence or, if the Panel prefers, Patent Owner requests to file an unopposed motion to withdraw Ex. 2001 and Ex. 2002.

Respectfully submitted,

David Cavanaugh
Counsel for Patent Owner
