BEFORE THE PATENT TRIAL AND APPEAL BOARD

---

MITO RED LIGHT, INC., Petitioner

v.

JOOVV, INC., Patent Owner.

---

*Inter Partes* Review Case No. IPR2024-00621  
U.S. Patent No. 11,253,719

---

**JOINT MOTION TO TERMINATE PROCEEDING**

Pursuant to 37 C.F.R. § 42.74, and the authorization provided in the Board's email of October 23, 2024, Petitioner Mito Red Light, Inc. and Patent Owner Joovv, Inc., by and through their respective counsel of record, jointly request termination of this proceeding, IPR2024-00621, directed to U.S. Patent No. 11,253,719 ("the '719 Patent").

Petitioner and Patent Owner have settled their dispute regarding the '719 Patent, including this proceeding and Patent Owner's assertion of the '719 Patent in the related district court litigation against Petitioner: Joovv, Inc. v. Mito Red Light, Inc., CV-23-01084-PHX-MTL (D. Arizona). That case is currently pending, and a joint motion to stay all deadlines was submitted by the parties on November 7, 2024. The parties do not anticipate further litigation between them concerning the '719 Patent.

Good cause exists to terminate this proceeding because the parties have settled their dispute regarding the '719 Patent. Terminating the proceeding now would thus serve the interests of judicial economy and the mutual interest of the parties.

A true and correct copy of the parties' settlement agreement will be filed as Exhibit 1018, along with a Joint Motion to Treat the Settlement Agreement as Business Confidential Information. Pursuant to 35 U.S.C. § 317(b), the parties

hereby certify that there are no collateral agreements or understandings made in connection with, or in contemplation of, the termination of the proceedings beyond the settlement agreement in Exhibit 1018.

November 8, 2024
