Counsel,

Patent Owner's request to file a motion to change the caption is denied. These inter partes review proceedings have concluded at the Board with IPR2024-00633 and IPR2024-00634 on appeal at the Federal Circuit and Director Review denied in IPR2024-00635. Patent Owner may file updated mandatory notices in these cases indicating the conversion (see 37 C.F.R 42.8(a)(3), (b)(1)) and may renew its request to update the caption should these cases return to the Board for further proceedings.

Dear Board:

Danco, Inc., Patent Owner in each of IPR2024-00633, IPR2024-00634, and IPR2024-00635, has been converted into Danco, LLC pursuant to Section 18-214 of the Delaware Limited Liability Company Act. Danco respectfully requests permission from the Board to file a motion to correct the caption to address this change, or address the change via another procedural mechanism at the Board's direction. Contemporaneously with this request, Patent Owner has filed updated assignment records in the file history of each patent to reflect this change.

Counsel for Petitioner Fluidmaster, Inc. has indicated that Fluidmaster does not oppose this request.

Should this motion be granted, Patent Owner will file updated mandatory notices and power of attorney reflecting this change. If the Board would like to have a call to discuss this request, the parties can confer and provide times of availability.

Sincerely,
Thomas Finch
