I, Dr. Jimmy Lin, hereby declare as follows:

1. My name is Jimmy Lin. I am at least eighteen years of age. I have personal knowledge of and am competent to testify as to the facts and opinions herein.

2. I have been retained by Petitioner Databricks, Inc. to provide my opinion about the patentability of claims 1-46 of U.S. Patent No. 8,190,610 (the “’610 patent” (EX-1001)), which I understand is assigned to R2 Solutions LLC. I further understand that Petitioner is seeking to join a prior proceeding: *Cloudera, Inc. v. R2 Solutions LLC*, IPR2024-00303. I understand that Petitioner, like Cloudera, Inc., is requesting that the United States Patent and Trademark Office cancel claims 1-46 of the ’610 patent. I submit this declaration in support of Petitioner’s request for *inter partes* review.

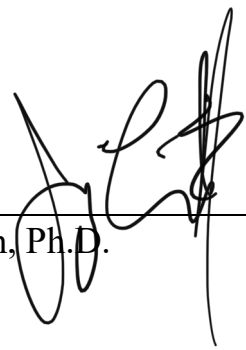

3. I am being compensated for my time at my usual consulting rate of \$1,100 per hour. Other than this consulting engagement, I have no financial interest in or professional relationship with Petitioner, nor is my compensation dependent in any way upon the outcome of, or my testimony in, the present *inter partes* review or any related litigation proceeding. I have no financial interest in or professional relationship with Patent Owner. I similarly have no financial interest in the ’610 patent and have had no contact with any named inventor.

4. I am currently serving as Cloudera, Inc.’s expert in IPR2024-00303 and I prepared a declaration that was filed as Exhibit 1005 (the “Lin Declaration”). I

fully agree with, hereby adopt, and incorporate by reference all of the opinions set forth in the Lin Declaration.

5. I hereby declare that all statements made herein of my own knowledge are true, that all statements made on information and belief are believed to be true, and that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code.
