Dear Board,

Counsel for Databricks, Cloudera, and R2 met and conferred as the Board instructed. Patent Owner R2 confirmed that it intends to file a POPR in IPR2024-00659. R2 and Cloudera do not oppose joinder of IPR2024-00659 with IPR2024-00303, and R2 will not file an opposition to Databricks' joinder motion.

The parties do not believe a conference call with the Board is necessary.

Thank you,

**** EXTERNAL EMAIL ****

Dear Counsel:

The Board is in receipt of the March 8, 2024 email from Lead Counsel for Petitioner Databricks, Inc. in IPR2024-00659.

Counsel's request for a conference call is premature. A Notice of Filing Date Accorded has not yet issued in IPR2024-00659. Patent Owner has not yet filed a POPR in IPR2024-00303 or a waiver (37 CFR 42.107(b)), which is due no later than March 29, 2024. After Patent Owner files a POPR or waiver in IPR2024-00303, the Board instructs the parties as follows:

1. Counsel for Petitioners Databricks, Inc. and Cloudera, Inc., and counsel for Patent Owner R2 Solutions LLC shall meet and confer promptly as to whether Patent Owner intends to file a POPR (or waiver) in IPR2024-00659 and/or a response to Petitioner Databricks' motion for joinder, and any related issues;
2. Counsel for Petitioner Databricks, Inc. shall send an email to the PTAB Trials mailbox, copying all counsel of record, no later than 10 days after Patent Owner files a POPR or waiver in IPR2024-00303. Counsel shall advise the Board of the results of the meet-and-confer and whether a conference call is still requested.
