I.	INTRODUCTION	1
II.	DECLARATION	2

I. INTRODUCTION

1. I, Christopher M. Schmandt, have been retained by counsel for Roku, Inc. (“Roku” or “Petitioner”) as a technical expert in connection with the proceeding identified above concerning U.S. Patent No. 10,715,878 (“the ’878 patent”). I have previously submitted a declaration (my “Prior Declaration”) in support of another Petition filed by Meta Platforms, Inc. for *Inter Partes* Review of the ’878 patent, IPR2023-01281. I have reviewed my Prior Declaration, and I reaffirm my testimony therein. The opinions detailed in my Prior Declaration, which is presented here as Roku Exhibit 1002, apply equally in this proceeding.

2. For avoidance of doubt, in that Prior Declaration, my references to “counsel for Petitioner,” “Petitioner’s counsel” or to legal standards or factual circumstances of which I was informed by, or which I understood from, “counsel” refer to counsel for Meta Platforms. Nonetheless, I have been similarly instructed by or understand from counsel for Roku, and I reaffirm the testimony of my Prior Declaration.

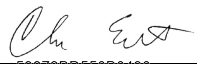

3. Compensation for my work for Roku in this matter is based on an hourly rate. In addition, reasonable and customary expenses associated with my work and testimony in this matter are reimbursed. This compensation is not contingent on the outcome of this matter, nor is it contingent on the specifics of my

testimony. I have no personal or financial stake, nor any interest in the outcome of the present proceeding.

II. DECLARATION

4. I declare and reaffirm that all statements made herein and in my Prior Declaration of my own knowledge are true, that all statements made on information and belief are believed to be true, and that these statements were made with knowledge that willful false statements so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code.
