Dear Director,

I am lead counsel for Patent Owner in the above-referenced IPR and am providing notice that Patent Owner's Request for Director Review has been filed. Patent Owner submits that Director Review is warranted based on the Board's *sua sponte* arguments and evidence in the Institution Decision. Patent Owner's Request for Director Review is attached along with arguments detailing why Director Review in this instance is appropriate, both under the abuse of discretion standard and for the presentation of important issues of law or policy.

Best regards,
Chris Hoff
