Dear Honorable Board:

In view of the Director's Review Decision in IPR2024-00700, Patent Owner respectfully requests the opportunity to submit a short brief, up to 10 pages, on January 30, outlining why the Board should maintain its prior conclusion, including that Petitioner failed to meet the preponderance of evidence standard even under the Director's Review Decision. Petitioner has indicated that it opposes Patent Owner's request.

Patent Owner also would like to make clear on the record that it does not waive any rights with respect to the Director's Review Decision, including the Director's newly introduced claim construction.

Sincerely,
Jungyeon Kim, Reg. No. 82,377
