IPR2024-00703 // U.S. Patent No. 8,961,511

Your Honors,

While preparing demonstratives, we noticed that duplicate header and footers were inadvertently imprinted on Dr. Poulos's deposition transcript (EX1032), which interfere with the readability some of the testimony. Petitioner requests permission to file a replacement copy of EX1032 to correct this issue. Counsel for Patent Owner has indicated they do not oppose this request.

Thank you,

Jennifer Chagnon
