Dear Board: On behalf of both Petitioner and Patent Owner in the above-referenced proceeding, and in response to the Board's General Order issued September 20, 2025 (Paper 30), we hereby report that the only ruling regarding validity, patentability or claim construction of the challenged claims of U.S. Patent 8,163,802 is the Claim Construction Opinion and Order from the Court dated January 10, 2023 in the matter of *Trutek Corp. v. BluewillowBiologics, Inc.*, No. 2:21-cv-10312 (E.D. Mich.), which Petitioner has already made of record in this proceeding as Exhibit 1010. Accordingly, the parties do not believe that any further filing is necessary. Should the Board require anything further from the parties, please contact us at the Board's convenience. Regards.
