Subject: Request for Extension IPR2024-00712

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Dear Board –

The Parties jointly request a one-month extension of the current due date for Patent Owner's Preliminary Response from July 24, 2024 to August 24, 2024. The Parties have reached an agreement in principle to resolve the underlying dispute and are in the process of finalizing a formal agreement. The parties therefore request the one month extension of the POPR due date in an effort to conserve the resources of the Board and of the parties.

The parties expect to be in a position to file a joint motion to dismiss the referenced IPR Petition in advance of the proposed August 24, 2024 extended due date, so also respectfully request authorization to file a motion to terminate as well.

Respectfully,

Eagle Robinson
