Subject: RE: Request for Authorization to Seek Termination IPR2024-00712
Date: Monday, September 23, 2024 11:36:36 AM

Counsel,

The Board authorizes the parties in IPR2024-00712 to file a joint motion to terminate the proceeding. This authorization is subject to the relevant statutes and regulations, including the requirement that the joint motion certifies and includes an exhibit containing a true copy of all agreements made in connection with or contemplation of the requested termination, including any collateral agreements. The joint motion must also certify that there are no other collateral agreements in connection with the settlement. See 35 U.S.C. § 317(b); 37 C.F.R. § 42.74(b). In addition, the Board authorizes the parties to file a joint request to treat the agreement as business confidential information under 37 C.F.R. § 42.74(c). That request may be part of the joint motion to terminate or may be a separate paper, and the exhibit containing the agreement should be filed "For Board only" or "For Board and Parties Only."

Dear Board –

The parties have reached an agreement, and the underlying infringement litigation against petitioner has now been dismissed with prejudice.

The parties therefore respectfully request authorization to file a joint motion to terminate this proceeding and to treat the settlement agreement as business confidential information and keep it

separate.

Respectfully,

Eagle Robinson
