Case IPR2024-00730  
Patent 11,196,509

---

**PATENT OWNER'S POWER OF ATTORNEY  
UNDER 37 CFR § 42.10**

Patent Owner, Daingean Technologies Ltd., hereby appoints: (1) the practitioners associated with Customer Number 90471 and Eric Enger (*pro hac vice* to be filed) with Heim, Payne & Chorush LLP, and (2) Michael McBride with Alavi & Anaipakos, PLLC (*pro hac vice* to be filed) as its attorneys to prosecute and to transact all business before the USPTO in connection with *inter partes* review No. IPR2024-00730 concerning U.S. Patent No. 11,196,509. Specific lead and backup counsel are listed below:

| Lead Counsel                                                                                                                                                                                           | Back-Up Counsel                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
