Subject: Corrected Surreply - IPR2024-00736 - Disney Media and Ent. Distribution, LLC v. Digital Media Technology Holdings

Honorable Board

Due to an oversight on the part of patent owner's counsel, the Patent Owner's preliminary surreply filed on August 29, 2024 was not in conformity with the requirements of the rules. A corrected surreply was prepared and sent to opposing counsel on August 30, 2024.

Opposing counsel has requested the following to be included in this email:

"Petitioner notified Patent Owner on August 30, 2024, that its preliminary sur-reply was not in compliance with the Board's page limit and font rules. Petitioner asked to review any substitute filing before Patent Owner filed it, to ensure that Patent Owner did not seek to include new or changed substantive arguments. Petitioner has reviewed Patent Owner's proposed substitute filing and does not object to it, because it appears to only remove excess words and correct typos. Petitioner takes no position on Patent Owner's request for leave to submit this substitute filing into the record."

Permission for Patent Owner to file the corrected surreply is requested.

Respectfully submitted,

Anthony H. Handal
