Dear Honorable Board,

Yesterday, in filing its Patent Owner Response, Patent Owner inadvertently filed a draft version of Patent Owner's expert, Dr. Gupta's report (Ex-2011) as Paper No. 20. This draft version (Paper No. 20) may include Patent Owner's counsel's work product and privileged information. Pursuant to FRE 502(b), this inadvertent filing does not waive privilege or work product protection.

Patent Owner has contacted Opposing Counsel regarding claw back of the document, and to request that Petitioner destroy any copies of Paper No. 20 it may have accessed or downloaded; and not otherwise access or view Paper No. 20 from the PTACTS system.

Patent Owner further respectfully requests that the Board expunge Paper No. 20, or otherwise permit Patent Owner to move to expunge Paper No. 20 from the record.

Respectfully,
L. Roman Rachuba
