Your Honors,

Patent Owner respectfully requests a conference call with the Board in order to request authorization to file a Motion to Terminate the Proceeding and Vacate the Decision on Institution in each of the above-captioned IPRs. The basis for these motions is Petitioner's failure to name the Chinese Communist Party ("CCP") as a real party-in-interest in each Petition for *Inter Partes* Review. Another related basis is that an entity controlled by a sovereign (here, the CCP) may not qualify as "persons" eligible to challenge a patent via an administrative patent review, such as an IPR (See *Return Mail Inc. v. United States Postal Service* (587 U.S. 117 (2019))).

The parties have conferred and are available on the following dates/times:

- Friday, March 7: 11:30 am - 12:30 pm ET and 1:30 pm - 3:00 pm ET.
