The following medical conditions will result in the indicated restrictions on your license:

Medical Condition	Driving Restriction
Arthritis in lower extremities	Automatic transmission
Deaf	Left outside mirror properly placed
Deaf/hearing impaired	Hearing aids
Insulin-dependent Diabetic	Diabetes Indicator (optional)
Doctor's Recommendation	No driving during rush hours
Dwarf/Midget	Appropriate elevation of seat and use of floor pedal extensions
Missing fingers or a hand	Spinner knob for steering wheel
Missing right arm extremity	Hand controls-left hand operation
Missing right extremity	Left foot accelerator
Missing right leg	Automatic transmission left foot accelerator
Respiratory problems	Must use portable oxygen when driving
Vision	Two outside mirrors properly placed
Vision	Daylight driving only
Vision	Must wear glasses or contact lenses
Vision	Biopic/Telescopic lens

A restriction can only be removed if you provide an updated [Medical and/or Eye Report](#)* with the appropriate findings by your physician.
