Subject: RE: Case No. IPR2024-00794 Director Review Request - Dismissed

Counsel,

A Final Written Decision in the above-referenced proceeding issued on October 22, 2025. Paper 30. Patent Owner filed a Notice of Appeal (Paper 31) from the Final Written Decision on October 23, 2025, before Petitioner filed its Request for Director Review (Paper 32). In view of the Notice to Appeal, the Office lacks jurisdiction to decide Petitioner's Request for Director Review, and the Request is dismissed for lack of jurisdiction. See *In re Graves*, 69 F.3d 1147, 1149-1150 (Fed. Cir. 1995).

Thanks

My apologies. It's case IPR2024-00794, not 792. Thank you.

Petitioner filed a Request for Director Review (Paper No. 32) today. However, no paper type for this was available, nor was there anywhere to pay the requisite fee. I filed the Request under Paper Type Other:other.

Is this okay, or is there something else I should have done?

As a background, the Final Written Decision (Paper No. 30) was filed October 22; Patent Order filed its Notice of Appeal (Paper No. 31) on October 23.

Any assistance would be greatly appreciated. Thank you.

Karen
