Counsel,

The Court has instructed me to advise you that for the October 2024 trial term in the Marshall Division, the selection of a jury will begin at 9:00 a.m. CT on Wednesday, October 30, 2024 with trial immediately following, and the order of trials will be as follows:

1. ***Correct Transmission, LLC v. Nokia Corporation et al.*** (2:22-cv-343);
2. ***Dynapass IP Holdings v. JPMorgan*** (2:22-cv-212);
3. ***Hays v. Wellborn Mechanical Services*** (2:23-cv-148);
4. ***Anderson v. Dominion Financial Services*** (2:23-cv-195).

All cases are set in the above order for jury selection on Wednesday, October 30, 2024. On that day, the Court will empanel a trial jury. Thereafter, the Court intends to hear opening statements, followed by the presentation of the evidence.

*Correct Transmission v. Nokia* will be called to trial first. Should *Correct Transmission* not go forward for any reason, *Dynapass v. JPMorgan* will be called to trial. Should *Correct Transmission* and *Dynapass* not go forward for any reason, *Hays v. Wellborn Mechanical Services* will be called to trial. Should *Correct Transmission*, *Dynapass*, and *Hays* not go forward for any reason, *Anderson* will be called to trial.

The Court does not set (and removes) for trial during this term *Whirlpool Corporation et al. v. Shenzhen Sanlida Electrical Technology et al.* (2:22-cv-027) and *Headwater Research LLC v. Samsung Electronics America et al.* (2:22-cv-422). The Court anticipates but does not guarantee these matters will be reset in the month of December 2024.

In addition, the Court anticipates that the case out to trial per the above will be in active trial

on November 5<sup>th</sup>, which is Presidential Election Day. The parties, their counsel, each trial support team, the witnesses, and the jury should arrange to vote early (either in person or by mail, as their particular residential jurisdiction may allow) and prior to November 5<sup>th</sup>, as the Court expects to conduct trial throughout this date.

If you have questions, please advise and I will relay your questions to the Court. Please be sure the above information is shared with all members of your trial team and support staff.

Regards,  
Amy
