Dear Board,

In the interest of completeness of the record, Petitioners note that the AT&T entities notified Headwater's counsel that they would be filing a stay before the below email was sent to the Board and now confirm that AT&T has filed a motion to stay on the EDTX litigation docket, meaning that a stay has been requested in all related cases.

Respectfully,

Kevin Anderson
Counsel for Petitioners

Subject: IPR2024-00809: Clarification re Patent Owner's Preliminary Sur-Reply

Dear Board,

Patent Owner writes to clarify an inadvertent misstatement in its preliminary sur-reply in IPR2024-00809. Patent Owner stated that "neither party has requested a stay of any parallel litigation," but had overlooked that the T-Mobile and Verizon petitioners, but not the AT&T petitioners, had filed motions to stay last week. Patent Owner apologizes for this oversight.

Best regards,
Amy Hayden
