Subject: IPR2024-00809 Oral Argument

Counsel,

Oral argument is scheduled for July 30 in this proceeding, but only Petitioner has requested it. Based on our review of the record, the parties' dispute regarding "network data service" is well briefed, and the parties' respective positions are clear. The panel does not require further additional assistance in deciding the dispute. In order to conserve Board resources, the panel requests Petitioner to consider withdrawing its request for oral argument.
