GOOGLE LLC,

Petitioner,

v.

EYESMATCH LTD.

Patent Owner.

---

Case No. IPR2024-00810  
U.S. Patent No. 8,982,110

---

**PETITIONER'S UPDATED EXHIBIT LIST**

Further to 37 C.F.R. § 42.63(e), Petitioner hereby submits a current listing of its exhibits. Exhibit 1040 was filed on P-TACTS and served via email to counsel of record for the Patent Owner.

| <b>Exhibit</b> | <b>Description</b>                                                                                                                                                           |
|----------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Ex. 1001       | U.S. Patent No. 8,982,110 (“’110 Patent”)                                                                                                                                    |
| Ex. 1002       | Prosecution File History of the ’110 Patent                                                                                                                                  |
| Ex. 1003       | Expert Declaration of Dr. Lina J. Karam, Ph.D.                                                                                                                               |
| Ex. 1004       | Curriculum Vitae of Dr. Lina Karam, Ph.D.                                                                                                                                    |
| Ex. 1005       | U.S. Patent Pub. No. 2011/0298910 to De Haan et al. (filed February 15, 2010 and published December 8, 2011) (“Haan”)                                                        |
| Ex. 1006       | U.S. Patent Pub. No. US 2007/0040033 to Rosenberg (filed September 26, 2006 and published February 22, 2007) (“Rosenberg”)                                                   |
| Ex. 1007       | U.S. Patent Pub. No. 2011/0246329 to Geisner et al. (filed April 1, 2010 and published October 6, 2011) (“Geisner”)                                                          |
| Ex. 1008       | WO Patent Pub. No. 2006/108279 to Lizee et al. (filed April 11, 2006 and published October 19, 2006) (“Lizee”)                                                               |
| Ex. 1009       | Institute for Robotics and Intelligent Systems, Alexandre R.J. Francois, <i>Software Architecture for Computer Vision: Beyond Pipes and Filters</i> (July 2003) (“Francois”) |
| Ex. 1010       | Hartley et al., <i>Multiple View Geometry in Computer Vision</i> (2nd ed., published 2004) (“Hartley”)                                                                       |
| Ex. 1011       | U.S. Patent Pub. No. 2007/0065039 to Park et al. (filed September 22, 2006 and published March 22, 2007) (“Park”)                                                            |
| Ex. 1012       | Reserved                                                                                                                                                                     |

| Exhibit  | Description                                                                                                                                                                                                                                                                                                                                            |
|----------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Ex. 1013 | Reserved                                                                                                                                                                                                                                                                                                                                               |
| Ex. 1014 | Reserved                                                                                                                                                                                                                                                                                                                                               |
| Ex. 1015 | Reserved                                                                                                                                                                                                                                                                                                                                               |
| Ex. 1016 | Reserved                                                                                                                                                                                                                                                                                                                                               |
| Ex. 1017 | Reserved                                                                                                                                                                                                                                                                                                                                               |
| Ex. 1018 | Excerpts from EyesMatch Ltd.’s and Memomi Labs Inc.’s Objections and Responses to First Set of Interrogatories of Meta Platforms, Inc., Instagram, LLC, and WhatsApp Inc. (Nos. 1-4) in <i>EyesMatch Ltd. v. Facebook, Inc.</i> , No. 1:21-cv-00111-RGA-JLH (D. Del.) (“Excerpts from Patent Owner’s Infringement Contentions in the Meta Litigation”) |
| Ex. 1019 | Excerpts from Plaintiffs EyesMatch Ltd.’s Disclosure of Asserted Claims and Infringement Contentions in <i>EyesMatch Ltd. v. Samsung Electronics America, Inc.</i> , No. 2:23-cv-00363-JRG-RSP (E.D. Tex.)                                                                                                                                             |
| Ex. 1020 | <i>EyesMatch Ltd. v. Samsung Electronics America, Inc.</i> , No. 2:23-cv-00363-JRG-RSP (E.D. Tex.), Docket Control Order, Dkt. No. 27                                                                                                                                                                                                                  |
| Ex. 1021 | U.S. Patent No. 8,982,109 to Nissi Vilcovsky and Ofer Saban (filed March 15, 2013 and issued March 17, 2015) (the “’109 Patent”)                                                                                                                                                                                                                       |
| Ex. 1022 | File History of U.S. Patent No. 8,982,109 (App. No. 13/843,001) (“’109 Patent File History”)                                                                                                                                                                                                                                                           |
| Ex. 1023 | U.S. Provisional Patent Application No. 61/738,957 (filed December 18, 2012)                                                                                                                                                                                                                                                                           |
| Ex. 1024 | File History of U.S. Provisional Patent Application No. 13/088,369 (filed April 17, 2011)                                                                                                                                                                                                                                                              |
| Ex. 1025 | U.S. Provisional Patent Application No. 60/656,884 (filed March 1, 2005)                                                                                                                                                                                                                                                                               |

| Exhibit  | Description                                                                                                                                                                                                                                                            |
|----------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Ex. 1026 | U.S. Provisional Patent Application No. 60/656,885 (filed March 1, 2005)                                                                                                                                                                                               |
| Ex. 1027 | James D. Foley et al., <i>Computer Graphics: Principles and Practice (2<sup>nd</sup> ed. in C, published 1995) (“Foley”)</i>                                                                                                                                           |
| Ex. 1028 | Excerpts from Alan Watt, <i>3D Computer Graphics</i> (3rd ed., published 2000) (“Watt”)                                                                                                                                                                                |
| Ex. 1029 | Declaration of Sylvia D. Hall-Ellis, Ph. D. (“Hall-Ellis Declaration”)                                                                                                                                                                                                 |
| Ex. 1030 | Patent Owners EyesMatch Ltd., Memomi Labs Inc.’s Preliminary Response in <i>Meta Platforms, Inc., Instagram, LLC, and WhatsApp Inc. v. EyesMatch Ltd., Memomi Labs Inc.</i> , IPR2022-00490, Paper 9 (“Patent Owner’s Preliminary Response in the Meta IPR2022-00490”) |
| Ex. 1031 | Email to EyesMatch Counsel, September 24, 2024                                                                                                                                                                                                                         |
| Ex. 1032 | Reserved                                                                                                                                                                                                                                                               |
| Ex. 1033 | Second Expert Declaration of Dr. Lina J. Karam, Ph.D.                                                                                                                                                                                                                  |
