Dear Honorable Board,

To streamline the issues for the oral hearing and the Final Written Decision, Petitioner respectfully notifies the Board that it is withdrawing Ground 3 based on the combination of Geisner and Lizee. Petitioner notified Patent Owner of this withdrawal and its intent to remove this ground from the demonstratives. In response, Patent Owner stated that it would similarly remove its demonstratives for Ground 3. Petitioner believes that no further action is required from the Board, but if the Board believes that a withdrawal motion is required, Petitioner requests authorization to file one.

Respectfully,
Xirui Zhang
Counsel for Petitioner
