★★★★★ Works well for office bathrooms

Reviewed in the United States on June 29, 2023

Scent: Summer Sunshine | Verified Purchase

Nice strong smell when put into the office urinals. The smell lasts pretty well for the first maybe 3 weeks and teeters off quickly after that letting you know it's time to change it. As with most air fresheners I wish these would last longer somehow but not bad for the price.

The unique two-sided design allows the screen to eliminate 99% of splash back on both sides. This prevents incorrect installation which can result in a mess around the urinal. The Wave 3D makes it easy, simply place it over the drain in the urinal and you're done.

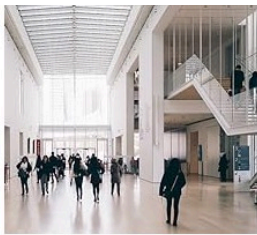

Replacement Reminders

The Wave 3D comes with patented reminder tabs along the top and bottom edges of the screen. Simply pull off the week tab and the month tab that corresponds to 30 days from installation. Now it's easy to remember when to change out the screen.

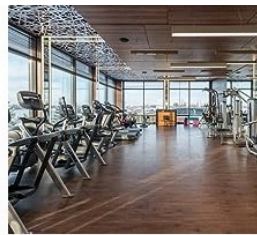

For Use in Multiple Facilities

Office Buildings

We spend most of our day at work and the visit to the restroom shouldn't make your day worse. Urinal screens are a fantastic addition to every office building, creating a fresh smelling restroom and keeping drains clear.

YMCA's and Gyms

Gyms and YMCA's are visited by thousands of people every week. Let's face it, these facilities can get packed full of unpleasant smells. Keep the restrooms fresh to help combat these odors!

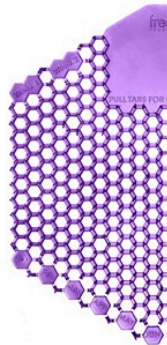

Restaurants

A pleasant dining experience encompasses your whole experience in an restaurant, not just good food. Make sure your customers enjoy every interaction, including a fresh smelling restroom.

Healthcare

Any healthcare facility, whether hospital or doctors office, are always kept very clean, with no exceptions in the restrooms. Urinal screens keep drains clean and clear so there are no extra messes to clean.

★★★★★ Works well for office bathrooms

Reviewed in the United States on June 29, 2023

Scent: Summer Sunshine | **Verified Purchase**

Nice strong smell when put into the office urinals. The smell lasts pretty well for the first maybe 3 weeks and teeters off quickly after that letting you know it's time to change it. As with most air fresheners I wish these would last longer somehow but not bad for the price.
