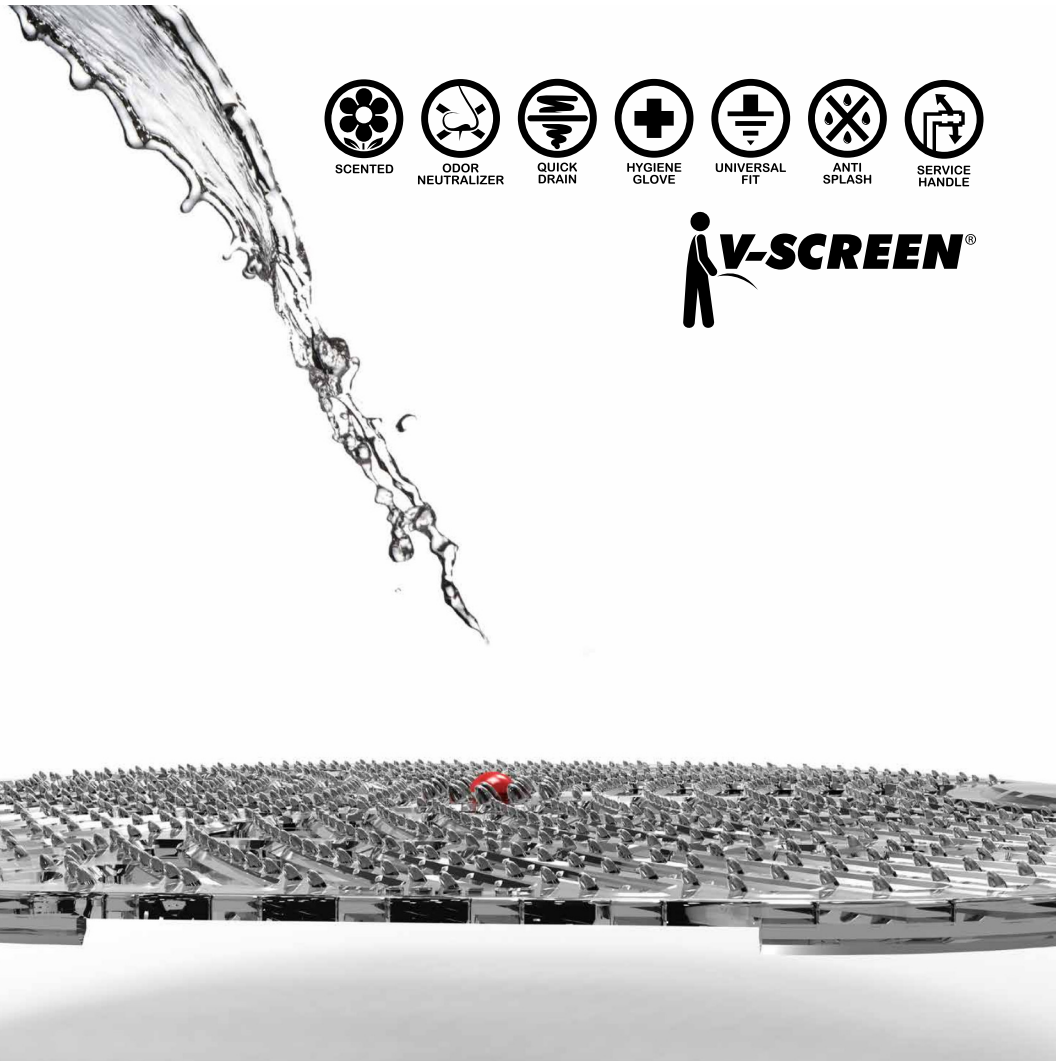
V-SCREEN® URINAL SCREENS

Suitable for washroom urinal fittings

*Brochure is not for distribution in the USA.



What is V-Screen®?

Urinals present a common breeding ground for bad odours through the build up of uric salt. The V-Screen® urinal screen offers an effective means of keeping drains and urinals free flowing and combats odour control between washroom cleaning visits.

How does the product work?

The V-Screen® fits over the drain or in the urinal and acts as a net to catch debris such as chewing gum, cigarettes, paper and other refuse. Incorporated within the V-Screen® is a mal-odour eliminating substance which has the ability to deodorise smells that may exist within the urinal. A pleasant fragrance is provided by an additional scent additive keeping the urinal smelling fresh for up to 30 days.

Product Specification

Pack:	12 screens per case (each screen in sealed bag c/w hygiene glove)
Pack size:	(L)190mm (W)73mm (H)220mm / (L)7.5” (W)2.9” (H)8.7”
