★★★★★ Great Product if this Fits Your Needs.

Well, it's a urinal screen. I'm not sure what all you're supposed to say and review about it but it does seem to make a noticeable difference with the smell in the men's room. It does seem to last the full month before you replace it. These come packaged in a box of 12 but individually sealed in plastic in pairs. So, I just open the plastic and install one and seal the plastic up until next time. I'd highly recommend. The apple cinnamon smell is captured nicely and is not too overpowering.

★★★★★ Spiced Apple ~ Yummy !

im uncertain about how to best review a URINAL SCREEN ~ ok, here goes; this screen smells good, REAL good, not SICKENINGLY powerful, but just pleasant; more pleasant than stale urine for sure... it also seems to be designed to reduce "splashing"... splashing is bad, especially in the office. Its also a pleasant color, and its round; ike a target...if you know what I mean.

★★★★★ Fresh and clean

Reviewed in the United States on June 12, 2017

Bought this product for an office restroom and it has made the world of a difference. The entire bathroom smells fresh and clean like apples and cinnamon, and so far it's been a month and still going strong. I'm not sure why the other scents are so much more money, but I would buy this product again.

Super strong. Smell wears off after a while. I cut them up into pieces. Gave me slight headache. Might try a different scent next time

★★★★★ These take the cake! Great!

Reviewed in the United States on October 5, 2017

Before these urinal cakes our men's room smelled like straight urine. I work at a shop with 15 guys and the keurig machine is filled 20x a day. Our urinals get more action than the buffet on a cheat day at fat camp. These have changed my life. I would highly recommend them. These have lasted 2 weeks so far and are going strong.

★☆☆☆☆ Awful smelling product

Reviewed in the United States on October 31, 2017

If you want your bathroom to smell like a gas station, buy this product. We had to get rid of the screens as the smell was overwhelming.

I use this on my coach buses and I must say, these smell amazing. You could literally use it for multiple use and it would still smell as amazing.
