CONNECT WITH EQUIPMENT MANUFACTURERS

See new equipment. Ask the technical experts. Find out what your business will be using tomorrow. Make the connections that matter.

- › **Meet:** Connect directly with technical experts to get your fleet questions answered while you plan for the future.
- › **Test:** Try out the equipment you'll be using tomorrow and get demonstrations from the people who know it best.

- › **Compare:** With more equipment brands in one place, you can save time and make more accurate judgements about what suits your business.
- › **Question:** Have a question about a product? Ask the people who made the machines and provide recommendations.

Is the show good for small to mid-sized firms?

A lot of attending companies have been between 10 and 100 employees. It's not about the size of your company, but the size of your goals.

What about international firms, do they attend?

With attendees from over 133 countries, we truly bring the world together. You'll see best practices and new tech from around the globe.

Who all from my team should come?

It's a great place to reward your team and build morale. The more people that come, the more connections they make and educational opportunities they can attend.

MORE TO DO. MORE TO LEARN.

What's changing in construction? What trends do you want to get ahead of? How will you manage emerging technology and changing workforce? **CONEXPO-CON/AGG 2026 is where these questions get answered.**

- › **Get Educated:** More speakers, more topics, more opportunities to learn.
- › **Attend Panels:** See industry leaders have open and frank conversations.
- › **Discover Ideas:** Actionable insights that you can take back to your business.

› **Spark Conversations:** Ask questions. Answer questions.
Create lasting connections.
