Vince Thomas is a Senior Managing Director and leader of FTI's Intellectual Property Practice. Prior to joining FTI Consulting, he was a partner with KPMG LLP. Mr. Thomas is nationally recognized consultant and expert with more than 30 years of experience assisting companies and clients with complex accounting, finance and valuation issues. For the past six years, he has been named by *Intellectual Asset Management* magazine as one of the world's leading economic experts.

Mr. Thomas has analyzed valuation, economic and financial issues in hundreds of disputes in various industries. He has also testified as an expert witness more than 100 proceedings in state and federal courts across the country; and, he has provided expert testimony for various International Trade Commission 337 investigations on issues related to domestic industry, remedy and bonding. Mr. Thomas has assisted in negotiations to determine appropriate licensing rates and payments as well as to determine royalty payments under Fair Reasonable and Non-Discriminatory (FRAND) terms and obligations.

Mr. Thomas has conducted seminars to various groups across the country and has participated in various panel discussions on topics involving economic damages, valuation methods and techniques for increasing shareholder value. He has also published articles on valuation and damage issues, co-authored a book on economic damages and served as a guest lecturer to forensic accounting students at Indiana University.

Mr. Thomas is a Certified Public Accountant ("CPA") and Certified Licensing Professional ("CLP"), is Certified in Financial Forensics ("CFF") and has obtained the valuation credentials of Certified Patent Valuation Analyst ("CPVA"), Certified Valuation Analyst ("CVA") and Accredited in Business Valuation ("ABV"). He has utilized the experience and education he has gained in obtaining those credentials in valuing businesses and various types of intellectual property for both litigation and transactional purposes.

In addition to serving as a consultant and testifying expert, Mr. Thomas also has significant experience in corporate, financial, and accounting management positions, including Analyst, Controller, Director of Credit and Collections and Chief Financial Officer. In those roles, Mr. Thomas was responsible for developing the strategic focus and direction for all areas of both a high-tech start-up company as well as a large distributor of wine and spirits. This included raising capital, implementing information technology systems, managing purchasing and distribution, maintaining legal and banking relationships, and managing an intellectual property portfolio.
