Subject: IPR2024-00846 - Request for Additional Briefing

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Honorable Board,

Patent Owner (Proxense) respectfully requests additional briefing to address the developments in Re-Examination Control Number 90/015,052, particularly the Non-Final Office Actions issued May 20, 2025, and July 29, 2025 (attached hereto).

Petitioner (Microsoft) opposes Patent Owner's request. However, should the Board grant Patent Owner's Request, Petitioner requests permission to file a responsive brief of equal length and that the Board not authorize the submission of any additional evidence other than a copy of the Non-Final Office Actions issued May 20, 2025 and July 29, 2025.

Sincerely,

James A. Zak, Esq.
