Re: AS Schneider's July 7 Letter

Dear Wasif:

We represent RJ Machine Co. on the issues raised in your July 7, 2023, letter. AS Schneider knows that our firm represents RJ Machine from our previous letters on January 21, 2020, February 14, 2023, and September 15, 2022. Please direct any future correspondence about this matter to us— and please stop sending correspondence like this to our client.

Your letter is insufficient for us to evaluate AS Schneider's claim that RJ Machine's products infringe U.S. Patent No. 9,851,030. Please send us a detailed claim chart, comparing the product that AS Schneider claims infringes to each claim in the '030 patent, so that we may do so.

In the meantime, our client would like to set up an in-person meeting with AS Schneider to discuss AS Schneider's concerns and see if there is a commercial way for RJ Machine to address them. RJ Machine has asked for such a meeting before and received no response from AS Schneider. Please let us know when AS Schneider is available for such a meeting in the next three weeks.

Sincerely,

J. Hoke Peacock III
