Find and identify people in Photos on iPhone

The Photos app 📷 recognizes faces in your photos and sorts them in the People album. When you add names to the faces, you can search for photos by a person's name.

Name a person in a photo

When you identify a person in a photo, they're automatically added to your People album and identified in other photos in your library.

1. Open a photo of the person, then tap ⓘ or swipe up to see the photo details. People identified in the photo appear in the bottom-left corner of the photo. Unnamed people have a question mark next to their picture.

2. Tap the face of a person with a question mark next to their photo to identify them, then tap Tag with Name.
3. Type their name, tap Next, then tap Done.
