

EXHIBIT 1019

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

DIN 28 400 Part 1 (Vacuum technology – Terms and Definitions – General terms)

Editor: DIN German Institute for Standardisation

VERIFICATION OF A TRANSLATION

I, Marlies Kirstädter, B.A., German,
on behalf of
Marlies Kirstädter, Übersetzungs- und Dolmetschdienste,
Südwestpark 67,
90449 Nürnberg,
Germany,

declare:

That I am familiar with the German and English languages and that I am the translator of the specification of the DIN 28 400 Part 1 (Vacuum technology – Terms and Definitions – General terms), edited by DIN German Institute for Standardisation, that the attached translation is, to the best of the translator's knowledge and belief, a true translation into the English language of this specification in German.

I believe that all statements made herein of my own knowledge are true and that all statements made on information and belief are true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the patent application in the United States of America or any patent issuing thereon.

Date: 27.04.2024

Marlies Kirstädter

For and on behalf of Marlies Kirstädter,
Übersetzungs- und Dolmetschdienste
