CERTIFICATE OF TRANSLATION

I, David Wise, hereby certify that the attached English document “Mechanical Comminution in the Recycling of Lithium-ion Batteries” is, to the best of my knowledge, a true and accurate translation of the Original German source “Mechanical Comminution in the Recycling of Lithium-ion Batteries.pdf”, and has been meticulously translated, ensuring linguistic fidelity and maintaining the integrity of the original content. I am a subject matter expert of United States nationality and with the required linguistic knowledge of English and German.

I believe that all statements made above of my own knowledge are true, and that all statements made on information and belief are true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the patent application in the United States of America or any patent issuing thereon.
