Dear Sir/Madam:

(*Please ignore an incomplete version of this e-mail that was sent inadvertently*)

I left a voicemail on the main customer service line as well. We have three outstanding requests from: (1) September 20, 2024 (in the below e-mail chain), (2) September 20, 2024 (attached), (3) October 8, 2024 (attached).

We are quickly approaching a deadline, and these affidavits are very important to us. We are sure you are doing the best you can to resume normalcy after the October hacking (what kind of a sinister mindset one needs to hack into a library system, but it takes only one of the 8 billion of us). Please let us know if we can anything we can do to expedite the process.

Best,
Roshan

Dear Sir/Madam:

I know you have been dealing with a lot these days, but wanted to ping you regarding these three requests: one below and two attached herewith.

Just wanted to check if there is a tentative ETA for these requests. I apologize again for adding one more task to the mess you are dealing with, but these requests are little time sensitive.

Best,
Roshan
