Tanya,

I hope you had a great holiday season. I am following up on this request. I just wanted to make sure that these three outstanding requests back from September are still in your pipeline. That is, I want to be sure that these requests did not get lost during the unfortunate hack to your system.

Please provide an update.

Best,

Tanya:

Thank you again for providing the affidavit for the below request. We also have three outstanding requests going back to September and early October (please see attached) that we have not received the affidavits for despite our repeated reminders. We are fast approaching a filing deadline for these affidavits, and we would appreciate if we could get them soon. If there is anything we can do to expedite the process, please let us know.

Best,
Roshan
