Counsel,

The Panel has reviewed the identification of the asserted claims on page 19 of the Petition and it does not align with what was actually argued. Within 5 business days, Petitioner shall file a paper identifying for each challenged claim, the ground(s) on which that claims is being challenged and the identification of what pages of the Petition those arguments can be found. This identification must include an identification for all dependencies. For example, for claim 7, which depends from claim 2, which depends from claim 1, Petitioner must identify where there arguments can be found for claims 1, 2, and 7. Petitioner is also authorized to provide a corrected table identifying the challenged grounds and claims. No arguments or evidence shall be submitted.
