Counsel,

From the Board –

Patent Owner's notice of intent to designate R. Mitch Verboncoeur as a provisionally recognized PTAB attorney as back-up counsel (Notice) in IPR2024-00921 pursuant to 37 C.F.R. § 42.10(c)(2) is acknowledged.

Although Mr. Verboncoeur is included in the mandatory notices filed on 7/23/2024, 37 CFR §42.10(c)(2)(iii) provides that updated mandatory notices need to be filed after the period for objection in order for the attorney to be deemed admitted.

The objection expiration date is (2/24/25), and if no objection is filed, Patent Owner may file updated mandatory notices under 37 C.F.R. §42.10(c)(2)(iii) after that date.

We also confirm that Patent Owner has fully complied with the conditions set forth in our email dated February 13, 2025.

Regards,
