CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

ParkerVision has reviewed Petitioner's Response to Director Review Request and respectfully request a 3-page reply to address (1) Petitioner's incomplete and inaccurate description of *ModernaTx*, 18 F.4th 1364 (Fed. Cir. 2021), and (2) Petitioner's mischaracterization of its unpatentability theory.

ParkerVision believes that clarification of these issues would further illuminate why Director Review is warranted here.

Thank you.

Counsel,

Patent Owner's request for Director Review has been received in the above-referenced case. Petitioner is authorized to submit a response limited to the issues raised in the Director Review request, of no more than 15 pages, to be filed within five business days of this email. Any such response must be filed in P-TACTS, i.e., by selecting the "Other: Other" paper type and the paper must be titled "Authorized Response to Director Review Request" or it may not be considered. No new evidence is permitted. No further briefing is authorized at this time.

The Director will determine whether review will be granted or denied and the parties will be notified of the result of the Director Review request.

Please note that December 24, 25, 26, 2025 and January 1, 2026 are federal holidays.

Thank you.
