ORDER

Expunging Documents for Clarification of the Record and
Requiring a Redacted Version of the Final Written Decision
37 C.F.R. §§ 42.5(a), 42.7(a)

¹ NXP USA, Inc., who filed a petition in IPR2024-01068, is joined as petitioner in this proceeding.

On May 22, 2026, we issued a Final Written Decision in this proceeding (Paper 80) in which we explained that we would expunge two papers and three exhibits. In particular, Petitioner timely filed two papers without including the confidential header required by the Protective Order—Papers 45 (Petitioner’s Motion to Exclude) and 47 (Petitioner’s Opposition to Patent Owner’s Motion to Exclude). *See id.* at 3 nn.8 & 10. Subsequently, Petitioner refiled each document as Papers 50 and 51, respectively. To avoid confusion, reduce the likelihood that Patent Owner’s confidential information might be disclosed unintentionally, and clarify the record, we hereby exercise our authority under 37 C.F.R. § 42.7(a) and expunge Papers 45 and 47.

Additionally, we also explained that we would expunge the first-filed versions of Exhibits 1066 (Second Declaration of Dr. Ian Galton), 2016 (Declaration of David Sorrells), and 2043 (deposition transcript of Dr. James Dickens), since the parties subsequently filed corrected versions of each. To those exhibits, we add the first-filed version of Exhibit 2042 (deposition transcript of Dr. Galton), which was filed on July 25, 2025. Patent Owner filed a “corrected” version of the exhibit with the same exhibit number on August 1, 2025. Thus, to avoid confusion and clarify the record, we hereby expunge the first-filed versions of Exhibits 1066, 2016, 2042, and 2043.

Further, the Final Written Decision was filed under seal since it contains some information that Patent Owner deems confidential pursuant to the Protective Order. To strike the proper balance “between the public’s interest in maintaining a complete and understandable file history and the parties’ interest in protecting truly sensitive information,” the parties shall meet and confer to review the Final Written Decision, redact the confidential

information therein, and file a redacted version of the Decision as a publicly available paper within seven days of this Order. Consolidated Trial Practice Guide (Nov. 2019) (“Consolidated Guide”),² Section I.E.3 (Motion to Seal).

Accordingly, it is

ORDERED that Papers 45 and 47, and first-filed Exhibits 1066, 2016, 2042, and 2043 are hereby *expunged*; and

FURTHER ORDERED that the parties shall meet and confer to review the Final Written Decision, redact the confidential information therein, and file a redacted version of the Decision as a publicly available paper within seven days of this Order.
