hi Amy & Greg -

happy new year! i hope this finds you well.
it was good to meet with you before the holidays - and we'd like to
get together and discuss things in more detail.

we'd like to talk with you about [REDACTED]
[REDACTED] with that
in place, i'd like to book another meeting to discuss where we're
headed and find a way to work together. let me know if there are any
roadblocks to this, and when might be a good time for you both?

thanks,
meriko borogove
