TRADEMARKS AND PROPRIETARY RIGHTS

Acronyms, Initialisms, and Abbreviations Dictionary, its supplements, *New Acronyms, Initialisms, and Abbreviations*, and its companion volume, *Reverse Acronyms, Initialisms, and Abbreviations Dictionary*, are not, and are not intended to be in any way, sources of legal authority. The inclusion of an acronym, initialism, or abbreviation (acronym) does not represent an expression of the publisher's opinion as to any legal rights, trademark or otherwise, in such acronym, nor should it be relied upon as having any bearing on the validity or ownership of any trademark. The failure to indicate that an acronym is a trademark is not intended as a representation by the publisher that no trademark right exists in the acronym and does not affect any legal rights in such acronym. A reference to an owner of an acronym or to an acronym as a trademark likewise should not be relied on for legal authority.

Errors brought to the attention of the publisher and verified to the satisfaction of the publisher will be corrected in future editions.
