Attachments: Internet Archive - Example Affidavit.pdf

Hi Stephanie,

Thank you for the information, that is very helpful. Would you or someone at arXiv.org be willing to submit a short affidavit regarding the article's public availability as of that date? The patent office requires that direct evidence be submitted in affidavit format. We would pay a fee and work with arXiv.org in drafting the affidavit. I've attached an example affidavit that was submitted by an employee of the Internet Archive in a different patent office proceeding for context. The Internet Archive's policy and standard fee agreement for submitting affidavits is also provided on their website: <https://archive.org/legal>. Please let us know if arXiv.org is available to assist. We appreciate your help.

Thank you,
Doug
