

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

BOE TECHNOLOGY GROUP CO., LTD.,
Petitioner,

v.

138 EAST LCD ADVANCEMENTS LIMITED,
Patent Owner.

Case IPR2024-00973
U.S. Patent No. 9,184,157

**PATENT OWNER'S UNOPPOSED MOTION FOR *PRO HAC VICE*
ADMISSION OF WILLIAM R. JONES UNDER 37 C.F.R. § 42.10(C)**

Pursuant to 37 C.F.R. § 42.10(c) and the Notice of Filing Date Accorded to Petition and Time for Filing Patent Owner Preliminary Response entered on July 20, 2024 (Paper 3) in this proceeding, Patent Owner, 138 East LCD Advancements Limited, respectfully request *pro hac vice* admission of William R. Jones in this proceeding. Patent Owner seeks Mr. Jones' assistance because of his familiarity with the substantive and technical issues involved in this proceeding. The parties have conferred, and Petitioner does not oppose this Motion.

1. Statement of Facts

Pursuant to the requirements of 37 C.F.R. § 42.10(c), Cyrus A. Morton, a registered practitioner, will remain as lead counsel in this matter.

Mr. Jones is an experienced patent litigation attorney with over four years of experience in fact and expert discovery, Markman hearings, and oral arguments in patent infringement matters before Federal district courts, the United States Court of Appeals for the Federal Circuit and the PTAB. Before that, Mr. Jones was a staff economist who reviewed and analyzed documents produced in patent infringement, prepared expert damage witnesses for depositions and trial in connection with patent and commercial litigation as well as researching products, companies, industries, and technologies to model the economic value of businesses, products and intellectual property. Mr. Jones

drafted and editing economic reports and filings for submission of federal and state courts.

Mr. Jones has established familiarity with the subject matter at issue in this proceeding. Robins Kaplan LLP represents Patent Owner in this proceeding, as well as other related IPR proceedings and Mr. Jones is actively involved in all aspects of Patent Owner's submissions in this proceeding. If this motion was denied, Patent Owner would be prejudiced because they would have to undertake the burdensome and costly task of educating another attorney regarding the patent at issue in this proceeding, and the related evidence. Patent Owner respectfully requests that the Board avoid this prejudice and grant this Motion.

2. Affidavit or Declaration of Individual Seeking to Appear

This Motion for *Pro Hac Vice* Admission is accompanied by the required Declaration of Mr. Jones. In the Declaration of William R. Jones (Ex. 2003), Mr. Jones attests that he has read and will comply with the Patent Office Trial Practice Guide and the Board's Rules of Practice set forth in 37 C.F.R. § 42. Mr. Jones further attests that he agrees to be subject to the USPTO's Rules of Professional Conduct as set forth in 37 C.F.R. §§ 11.101 et seq. and disciplinary jurisdiction under 37 C.F.R. § 11.19(a).

For the foregoing reasons, and in view of the Declaration submitted herewith, Patent Owner submits that good cause exists for the *pro hac vice* admission of William R. Jones and respectfully requests that the Board grant this motion.

Dated: February 27, 2025

Respectfully submitted,
