Counsel,

The option to file a request for Director Review is unavailable in this case because Petitioner has filed a Notice of Appeal. Paper 39. Patent Owner may file its Director Review request using the paper type "Other:Other" and pay the fees later, but note that the Office will stay consideration of the Director Review request until the Federal Circuit determines whether to order a limited remand to the Office. See Director Review Process § 3.B, *available at* <https://www.uspto.gov/patents/ptab/decisions/director-review-process>.

Thank you.

Dear PTAB,

We are preparing to submit a Request for Director Review for the above-referenced proceeding but the "File a request for director review" does not pop up in the Add button in P-TACTS. How would you submit with fee?
